

Name: Mrs Ellis

Job Role: **Community Enterprise Manager**

## A few things I'm proud of:

- I am really enjoying running projects that are going to have a long term impact on the lives of the students.
- The fact that The Dearne ALC is a lead school on the 'Made in Barnsley' project. I hope that this just goes from strength to strength.
- My own children who have grown up into intelligent and kind people.

## How long have you worked at The Dearne ALC?

I joined the school in September 2016. Prior to this I worked in a school as a Student Support Manager working on a pastoral basis with students.

## What is your favourite thing about working at The Dearne ALC?

This has got to be the students that I work with. The more young people I meet, the luckier I feel to work at The Dearne ALC.

## My Aspirations

Because I've only just got to The Dearne, my main aspiration is to make a difference to the lives of young people here. In the long term I'd love to work with students on a more pastoral focus again and I'm looking forward to seeing what the future holds here!
